

# OF FAIRIES AND FANTASIES

**S**er in a scientist, an able seamstress, a mother and an artist infused into one. What would you expect from her as a painter? Artist Veena Choudhary, undoubtedly, by admits that it is fairies and fantasy that give flight to her imagination. And, of course, nature as its inspiration here. On the other hand, her brother Nitin Choudhary, an engineer by profession, selects clients his fascination with design, patterns and geometrical forms, which are engineered into unique works of art.

"Elements are different from them. Cinderella and Snow White remain with women all through their lives. It is this fantasy that I recreate on canvas," explains Veena. Using
